

Kingscliff Hotel

Holland-on-Sea

Nothing beats fresh sea air for clear thinking. A stylish environment and switched-on service certainly help, too. All the ingredients for memorable meetings and inspiring events come together at the Kingscliff, with the added bonus of a beautiful setting for down time. The dedicated function space, Preston's Suite, is one of the most versatile event spaces in Tendering and Clacton, with expansive sea views, flexible layouts and great food.
